A warm welcome awaits you

Beachside Holiday Park lies directly on the dunes of the famous Brean Sands in Somerset. A family park owned and managed by the James family since 1986. Located within easy walking distance of the centre of the resort.

The perfect location for all the family, whether you just want to relax by the sea, or fill your break with thrills and excitement of one of the top family holiday destinations in the South West. Beachside is located on sand dunes which run parallel with the coast, following the direction of the shoreline between Burnham-on-Sea and Brean Down.

The dunes have been created by wind action over many centuries and are now an important natural feature protecting the low lying Somerset Levels and Moors.

The park is built directly over raised, undulating sand dunes. Some of the accommodation offered has unspoilt panoramic views either facing inland

or across Bridgwater Bay, whilst other accommodation is in a lower lying area of the park, once again created by nature over the years. The Glen as it is affectionately known is ideal for families with children as there are no cars, just plenty of grass to play on. The caravans in this area also have decking, which makes it ideal to sit outside and watch your children play.

There is a large range of attractions, restaurants and bars in Brean, along with our on-site facilities such as the Sundowner cafe/bar and childrens play area there is plenty for you and your family to experience throughout your stay with us.

Make sure you bring your bucket and spade! Beach holidays are loved by all families, the little ones can enjoy playing in the sand, building the ultimate sandcastle and even having a paddle in the sea... this is what seaside holidays are all about. Book a caravan with a sea view and enjoy the full seaside experience!

Guest Reviews

Good accommodation at a good price.

The ability to be able to pick exactly how many days and which day we wanted to arrive made this a very good choice. Definitely recommend the Sundowner Cafe for breakfast, will definitely be back. 10/10

Lovely site

with great beach access and close to local attractions. Staff very friendly and helpful. Caravan lovely and clean.

Love it here,

comfortable caravan with easy access to cafe. Beautiful sea view and the dog is allowed all across the beach.

We thoroughly enjoyed our stay,

our daughters 1st holiday and 1st time taking the dog away. We had a lovely time and wish we'd stayed longer, any issues we had were resolved almost instantly! Can't wait to come back when we can find a date to suit us.

Nice quiet site location.

Ideally placed for beach walks and a great location for the local bars.

We have been going to Beachside for the past 13 years, the staff are always friendly and helpful. The caravans are always clean, the beach is only a few minutes away.

Perfect for relaxing or fun.

Great holiday park, pet friendly, all round excellence. We stay year on year and wouldn't go anywhere else. Love it for our family to enjoy and relax with no worries.

Really enjoyed our stay at Beachside so relaxing and so much to do. Love the fact as its right by the beach, didn't want to come home.

We've been staying at Beachside for the last 12 years and can't fault it. The staff are friendly and helpful and the caravans are always immaculate. The fact that the site is on the sea-front is the perfect added bonus!

Brean Beach is ideal destination for family

The 7-mile stretch of sandy beach goes as far as the eye can see, so there's plenty of open space to enjoy.

The beach is a sunbathing paradise in the summer sun. A gentle stroll along the beach enjoying an ice-cream with the sand between your toes is a feeling that cannot be beaten.

the ation for your holiday.

Brean beach is dog-friendly all year round, making it an ideal holiday for the whole family. Your pet will love the miles of open space to enjoy. Why not walk the entire 7-mile stretch of beach all the way from the historic Brean Down, through the beautiful village of Berrow to busy coastal town of Burnham-on-Sea. On-route you can enjoy some of the beach's beautiful landmarks like the Burnham Lighthouse or the SS Nornen Shipwreck.

For a small charge you can use the beaches car park, which is a great option especially for those with mobility issues.
