As the Coronavirus pandemic continues to disrupt life on a global scale, we've yet to understand what our "new normal" will be. What we do know, however, is that the virus could potentially impact people's holiday plans for some time to come.

For this reason, the Compass Travel Insurance Policy will cover you should you need to cancel your booking due to coronavirus related illness or compulsory quarantine.

A Choice of Cover

We offer [three tiers of cover](#) allowing you to tailor the product to your needs, all of which are suitable for individuals, couples, and families.

The table below shows the cover available for each tier:

Cover	Booking		
	Essentials	Extra	Premier
Cancellation	£500	£750	£1,500
Curtailment	£500	£750	£1,500
Travel disruption or abandonment	£500	£750	£1,500
Delayed departure	Up to £200	Up to £250	Up to £300
Lost or stolen baggage	£500	£750	£1,500
Accidental damage to accommodation	£500	£750	£1,500
Medical Consultation Service	Yes	Yes	Yes
Excess	£75	£50	£50

Benefits are per person travelling

For example a family of 4 who purchase the Premier cover would have £6,000 of cancellation, curtailment, travel disruption and baggage cover and up to £1,200 for delayed departure. The excess remains at £50.

Our prices are competitive too with the cost for a family of 4 (ages between 5 and 50) for 5 nights Premier cover only £25.

As with all insurance cover, some exclusions and limits may apply, as will some policy excesses. For full details, please view our [policy wording](#) online.
